Communion of Names. Please write your Joys and Concerns in the book at the back of the sanctuary before the service begins in order to be incorporated in worship. All items will be passed to the Caring Committee.

The Share the Plate offering for May is designated for the Minister's Discretionary Fund. This fund helps many members of our congregation and the community at large. Half of the collection today will go to Minister's Discretionary Fund. You can also donate to this cause all month long via the CUUC web page by selecting the Share the Plate option.

What Did We do in RE This Week? The theme for this month is **Truth**. This Sunday we are celebrating our year in religious education. *Ask your child or teen (all ages) one or more of the following questions:* What are three things you enjoyed in your Sunday classes this year? What are some of your favorite things in your classroom? Who are the adults who teach in your classroom? Tell me about your class chalice lighting ritual. What is something you learned at church this year that you use in your everyday life?

Community Garden. Thank you for supporting the garden with our call for cardboard, we are rich in cardboard! No more cardboard is needed at this time.

Soul Work. The tables at the side of the sanctuary are Soul Work: activities for all ages that engage the hands while allowing the brain and heart to connect with the worship service. You are welcome to work at the tables or take the work to your seat. The current work includes: electric candles to light, silk flowers to arrange, rhinestones and foam circles to make mandalas, printed mandalas and colored pencils.

Jedi Academy Coming This Summer! Our summer program will be lots of fun (and learning, too)! **This year, grades PreK-7th are going to the Jedi Academy for ten weeks of laughter, physical and mental challenges, and exciting times.** Do you have what it takes to be a Jedi Master? If you'd like to play with a group of great kids this summer, if you're a Star Wars fan and want to share the fandom, or if you just want to help in RE this summer, please contact the DRE or the RE Board Chair, Brennan Hadden. We are also looking for volunteers to discuss TED talks with high schoolers and/or mentor crochet skills.
