

Caring Committee 2016-2017 Annual Report

The Caring Committee has been busy with two Memorial receptions, providing food for people recovery from surgeries, and sending out numerous get well and sympathy cards. We have provided rides to doctor appointment and to church on Sundays. I would like to thank all of the caring committee for the wonderful service they have provided. A special thanks to Tim Williams for seeing to getting rides for people to church on Sunday. Thanks to Pam Reinke-Walter and Deb Bliss for arranging meals, and Nelah McComsey for taking over in my absents. I am very grateful to my whole committee for making my job so rewarding and easy. I am retiring from the Caring Committee in June, but I am very happy that I am leaving it in the very capable hands of June Bruns, she will do a fabulous job. Sincerely, Chair- Mina Daffinee
