

PERSONNEL REPORT
ANNUAL MEETING
May 2017

The key staff positions were fully staffed during the fiscal year which included Connie Meints, secretary; John Elder, bookkeeper and Lucia Shipp, childcare coordinator. The grant we received to hire Cindy Pilcher, Membership Coordinator will end May of this year.

After Robert Brown left at the end of May 2016, the choir was without a director. A committee of choir members with Elena Westbrook as chair interviewed two applicants, one was Christopher Wolff. Both candidates were very acceptable, but the popularity of Christopher made him the choir's choice. He had resigned a year earlier to complete graduate work which was now finished. The choir is growing and Christopher is welcomed back by the entire church.

Rev. Patrick Price had a Performance Review before he left on Sabbatical. During his absence, members of the congregation and visiting ministers filled the pulpit.

We are in the process of annual Performance Reviews of the rest of the staff and hope to have them completed soon.

Alyssa Church was appointed to fill the Trustee of Communications position after Rob Saxon was transferred with his job.

On behalf of our Board of Trustees and Congregation I want to thank our wonderful staff: Rev. Patrick Price, DRE Kathy Smith, Music Director Christopher Wolff, Membership Coordinator Cindy Pilcher, Secretary Connie Meints, Bookkeeper John Elder, Lucia Shipp and her Childcare Team, and the Sound Team. We appreciate all of the work you do on our behalf.

Lolisa Laenger, Trustee of Personnel
