Communion of Names. Please write your Joys and Concerns in the book at the back of the sanctuary before the service begins in order to be incorporated in worship. All items will be passed to the Caring Committee.

What Did We do in RE This Week? This week we will have an RE Special Day – it's Water Play Day! *Ask your child (all ages):* What was most special about today. We have outdoor activities in children's RE that will require 6-8 adults to supervise. If you'd like to help, see Kathy or Brennan before service! To all parents: following the Message for All Ages, all children and youth are invited to our outdoor Water Day! We will have water games and a water slide! (We will have dry activities, too!)

A Community Conversation and Workshop on Race, Justice and the Future of Dallas. Nearly a year has passed since the July 7 shootings in Downtown Dallas. As we remember and honor those we lost in the horrific events of that day, we also continue to confront the divisions and inequities in our community to which July 7 peaceful protest called attention. Reconciling the injustice in our system is central to our pursuit of healing from it. On **Sunday, June 4, from 2 - 5pm at [First Unitarian Church of Dallas, 4015 Normandy Ave, Dallas, Texas 75205](#)** Dr. Heather Hackman will facilitate a conversation and engage community members to discuss systemic inequities in Dallas and their contribution to division in our community. She has been teaching and training on social justice issues since 1992. As the founder and president of Hackman Consulting Group, her consulting practice focuses on helping colleges and universities, foundations and nonprofits, P-12 schools and districts, and other organizations move beyond basic diversity and inclusion efforts through her signature "lens shift" trainings. Her training and writing on deep diversity, equity and social justice connects issues of racism and white privilege, gender oppression, heterosexism and homophobia, classism and climate justice.

Jedi Academy Coming This Summer! Our summer program will be lots of fun (and learning, too)! This year, grades K-7th are going to the Jedi Academy for ten weeks of laughter, physical and mental challenges, and exciting times. Do you have what it takes to be a Jedi Master? If you'd like to play with a group of great kids this summer, if you're a Star Wars fan and want to share the fandom, or if you just want to help in RE this summer, please contact the DRE or the RE Board Chair, Brennan Hadden. We are also looking for people to play with preschoolers or talk TED talks with high schoolers (while crocheting scarves and hats to donate next winter).

Friday Night Flicks, June 9 - Jackie - 2016 – 2 hours – R. The movie starts at 7pm in Founders Hall.

Pennies for Gas! This July, 8 youth and adults will be going to New Orleans to attend General Assembly – our annual denominational convention – and 3 more teens will join them to stay for a week-long service trip. Your pennies will help fuel the van that gets us there! Teens and teachers will be in Founders' Hall on Sundays in June. So bring in your change jar, check the floor of the car, clean out your couch cushions, and bring it in to deposit into our Fuel Jar. "Paper pennies" are also welcome. Thank you for your support!
