Communion of Names. Please write your Joys and Concerns in the book at the back of the sanctuary before the service begins in order to be incorporated in worship. All items will be passed to the Caring Committee.

Bring Us Your Cardboard! Our early summer rains have the plants and weeds thriving. Your Community Harvest Gardeners are once again putting the call out for cardboard to help us maintain weed-free paths and borders, our “protection moat”. We are looking for large, flattened, cardboard boxes. They may be left just inside the gate along the fence. Thank you for your support!

What Did We Do in RE This Week? Jedi Academy (PreK through 8th): Lesson Eight – Indigo Principle (Insist on Peace and Justice). Today we learned about working together towards a fair and free world. *Ask your child: (all ages)* What are some ways people work to make a better world? *(for elementary school, add)* How can technology help make a better world? *(for middle schoolers, add)* Why is it a spiritual practice to work for a better world? How do we know what is the right balance between using technology to help the world and having too much technology? **Social Justice Summer for Teens:** Holocaust and History. *Ask your teen:* Why is it important to remember history? Have you ever heard the saying “those who do not remember history are doomed to repeat it”? Do you think that is true?

Soul work. The tables at the side of the sanctuary are Soul Work: activities for all ages that engage the hands while allowing the brain and heart to connect with the worship service. You are welcome to work at the tables or take the work to your seat. The current work includes: electric candles to light, silk flowers to arrange, rhinestones and foam circles to make mandalas, printed mandalas and colored pencils.

Friday Night Flicks August 11 – Fences in Founders Hall starting at 7pm.

Bring in Recyclables for the Jedi Academy! One of our lessons this summer is “design a droid”. If you have any of the following recyclables, please bring them into the front office and drop them into the box there. Clean and dry, please! Aluminum cans, egg cartons, small boxes from packaging, plastic water bottles. Also – If you’d like to play with a group of great kids this summer, if you’re a Star Wars fan and want to share the fandom, or if you just want to help in RE this summer, please contact the DRE or any member of the RE Board Chair.
