Share the Plate - YRUU New Orleans Service Trip. Every year since 2010 this Church's youth have spent one week in New Orleans, helping the 9th Ward and other poor areas rebuild from the 2005 hurricane Katrina. The groups with their adult supervisors are immersed in a different culture and they help people rebuild their houses, which allows them to have a feeling of truly making a difference in someone's life. The youth are so excited when they come back and know that they have made a difference in someone's life. The dynamics they learn during these trips are incredible. In addition to travel costs the group has been paying for all materials required for these projects. April 29 Share the Plate is to support this mission, please be generous. If you cannot attend Church that day you could send a check, noting it is for the New Orleans trip. THANK YOU.

Soul Work . The tables at the side of the sanctuary are Soul Work: activities for all ages that engage the hands while allowing the brain and heart to connect with the worship service. You are welcome to work at the tables or take the work to your seat. The current work includes: electric candles to light, silk flowers to arrange, rhinestones and foam circles to make mandalas, printed mandalas and colored pencils.
