**Share the Plate for July goes to God's Pantry** who supports the needy in our East Plano Community by offering food and support to everyone who comes to their door. They are the only food pantry in Collin County open to everyone without restrictions or conditions. Our Community Garden donates from their harvest every Saturday and we have a dedicated fund that helps with their utility bills, but cash donations are for their modest overhead is always in short supply and our support is appreciated. **Sunday, July 29 is Share the Plate Sunday.**

The summer curriculum for pre-K through grade 8 included STEAM-based stories and activities. STEAM stands for Science, Technology, Engineering, Arts, and Math. Angela Hathaway put together the program with a wide range of topics and activities. **The summer curriculum will come to an end today with a Great Science Fair. Thank you, Angela!**

Our bi-monthly maintenance workday, "Odds n Ends" will be held **Saturday, August 4, 9am to 5pm. Come for all or just part of the day; pizza provided for lunch; child care available if requested (contact [facilities@communityuuchurch.org](mailto:facilities@communityuuchurch.org)).** For those who haven't participated, Odds n Ends is the time we take care of our building and grounds by doing mostly small jobs that do not require special skills. Training, tools and equipment are all supplied. There are even tasks that the younger ones can help with and develop an "ownership" of the Church.

**Soul Work.** The tables at the side of the sanctuary are Soul Work: activities for all ages that engage the hands while allowing the brain and heart to connect with the worship service. You are welcome to work at the tables or take the work to your seat. The current work includes: electric candles to light, silk flowers to arrange, rhinestones and foam circles to make mandalas, printed mandalas and colored pencils.
