

FAREWELL TO REVERENDS PRICE AND INNIS

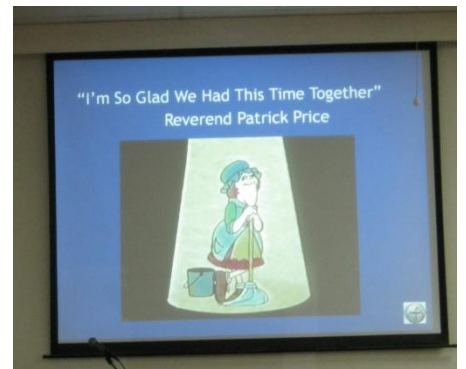

Sunday June 10 was the final Worship Service at Community UU for Rev. Patrick Price and Rev. Jennifer Innis. Patrick has served as our Settled Minister for 12 years, and Jennifer has served as our Interim Director of Religious Education for the past year. They and their children will soon be moving to Illinois where the ministers will serve in an interim capacity at the Unitarian Universalist Society of Geneva. Music for Sunday's worship was provided by Adler and Hearne, who led us through our bittersweet service with beautiful and uplifting songs. Service was followed by a Farewell Reception with much fellowship with current and former congregants who came to be part of the good times and goodbyes.
